

GROOVE BOOT CAMP

For drummers only!!!

A special one- day session with Sammy K!!!

Drummers registering for the Miami Valley Jazz Camp 2016 have the option to arrive early and participate in this pre-camp session. Drummers will get a chance to work on “drummer-only” musical skills before the other jazz musicians arrive. This one-day intensive jazz drumming experience is available for only \$20 as part of the Miami Valley Jazz Camp and will give students a “jump” on our awesome camp week!

First Timers arrive at Fairmont High School by 1:00 PM on Sunday, June 5th, (everyone else at 3:00 PM) check in, assemble equipment and get acquainted. Then Sammy K himself will take drummers through the afternoon Boot Camp, preparing them to survive and support the music they will be playing throughout the week of camp.

Sessions include:

- Master Class on setting up and tuning drum sets
- “Drum Set 101” where students learn and practice grooves: Swing, Bossa Nova, Samba, Rock/Funk!
- Participation in a “Drum Set Choir” – an ensemble experience like no other!
- Pizza Party/video presentation with Sammy and the other drummers
