

GROOVE BOOT CAMP

For drummers only!!!

Drummers registering for the Miami Valley Jazz Camp 2018 have the option to arrive early and participate in this pre-camp session. Drummers will get a chance to work on “drummer-only” musical skills before the other jazz musicians arrive. This one-day intensive jazz drumming experience is available for only \$20 as part of the Miami Valley Jazz Camp and will give students a “jump” on our awesome camp week!

First Timers arrive at Fairmont HS at 4:30 PM for setup and to get acquainted. Boot Camp hours are 5:00 to 9:00 PM on Sunday, June 10th, (veterans may arrive anytime - Pizza too!) Sammy K will take drummers through the afternoon Boot Camp, preparing them to thrive and support the music they will be playing throughout the week of camp.

Sessions include:

- Master Class on setting up and tuning drum sets
- “Drum Set 101” where students learn and practice grooves: Swing, Bossa Nova, Samba, Rock/Funk!
- Participation in a “Drum Set Choir” - an ensemble experience like no other!
- Pizza Party/video presentation with Sammy and the other drummers

Don't pass up this unbelievable opportunity to work with Sammy K and hang out with other drummers just like you!!!
